## 2021 JOHN WALLIS MEMORIAL LECTURE

***Around the Table with Pope Francis  
- a place and a voice for the poor***

**with Dr Wayne Tinsey**

**OUR TOPIC** Inclusion and responding to the plight of the marginalised are core priorities of the Gospel and the Christian vision for the world. Pope Francis has modelled this conversion in his own life and this has led him to champion a Church of and for the poor and marginalised. We believe that our response to the plight of the poor should not be limited to generous acts but, rather, a commitment to advocating for a more just social order for all.

**OUR LECTURER** Wayne currently is the Global Ambassador for *Edmund Rice Education Beyond Borders*, an international community of some 250 schools, dedicated to justice, liberation and an option for the marginalised. He has led many immersion groups to India and South America.
